

LAST MINUTE SMS NEWS UPDATES:

Santa Monica Boulevard Parking Rules & Restrictions

The Whitefish Bay Police Department has asked us to relay the following information to our school families:

“All parking restrictions and regulations will be strictly enforced, including no parking 15 feet to the crosswalk, no stopping by any vehicle in between the two crosswalks, and any other parking regulations that apply on Santa Monica Blvd.

With the additional traffic caused by the Silver Spring construction, visibility is of paramount importance, particularly regarding the crosswalks at Beaumont. Citations will be mailed as has been done in the past so as not to add to the congestion.”

In order to protect and enhance the safety of our school children and other pedestrians and drivers, please obey all rules and regulations, and extend all courtesies and practice common sense safety measures when driving in the vicinity of our school, especially during this time of construction and inclement weather.

Thank you.

Mrs. Schram
