Dear Residents,

Summer days will soon be here, the sun will shine brighter and Recreation Department summer offerings will be in full swing. Once again, the Recreation and Community Education Department will be working around and, in some cases, will not be offering some of our usual summer programs due to building renovations that are part of the school district's ongoing renovation and flood repair work. The following buildings will be affected: Whitefish Bay High School, Whitefish Bay Middle School, Cumberland and Richards Elementary Schools. One major cancellation does include all aquatic programs during the months of June and July due to locker room renovations and pool maintenance. Please look inside the Recreation Guide for more information on pool closures and cooperative swim programs with Nicolet Recreation Department during the months our pools are not available. In addition, Richards Elementary field will be closed as the green space is scheduled to be re-graded and re-seeded this spring. Despite facility and land closures, we ask for your continued support and patience.

We are committed to providing high quality recreational enrichment opportunities for all ages and we look forward to serving you this summer.

Adult Swim Fit is an aquatic fitness program for triathletes, competitive and fitness swimmers. The group is *virtually* coached by Mike Daley, Sr. Total Immersion Swim Coach, who emails the varied workouts in advance. Mike will also attend a couple of practices which will be announced in advance. Mike's emphasis is to focus and concentrate on swimstroke efficiency by utilizing drill sets and "swim thoughts". Each practice accommodates all skill levels including beginner, intermediate and advanced/triathlete. Jump-start your day with a great swim workout!

The Field House and Auxiliary pools will be closed June 9th through July 31st due to the remodeling of the locker rooms and routine maintenance.

department

The Whitefish Bay School District, through the Recreation and Community Education Department, is committed to improving the quality of life. This is achieved by providing a wide variety of quality recreational, educational, cultural and social programs and services for all residents and students of Whitefish Bay.

Insurance

All participants in our Recreation & Community Education programs and activities are encouraged to carry their own insurance. The Whitefish Bay Recreation & Community Education Department does not carry insurance on participants or spectators.

Inclement Weather

If the Whitefish Bay School District is closed due to inclement weather, all Recreation Department activities will be cancelled. If the weather conditions deteriorate during the day, please call 963-3947 to determine whether or not evening classes and programs will be cancelled. Information about all School District closings and cancellations will also be announced over the following radio stations: WTMJ, WISN, WOKY Channel 4.

No Smoking/Alcohol Use

A reminder to all program participants that the use of all tobacco products or drinking of alcoholic beverages on premises owned by the Whitefish Bay School District is prohibited by State Law. Your cooperation in upholding this law is necessary.

E-Mail Confirmations Only

Confirmations will be sent ONLY if you supply the Rec Department with your email address. It is the responsibility of the registrant to inform us of any changes in their email address.

Sign Up Early

Nothing kills a good program faster than waiting until the last minute to register. Class cancellations often occur due to low enrollment! We encourage you to register early—it can often make or break a good course.

No On-Site Registration

Instructors will not accept registration/payment at the class site. All registration transactions must be completed at the Recreation Department office prior to scheduled class.

Rental Information

Due to the on-going construction at the majority of the school district's facilities, district fields will not be rented for the summer of 2011. If you are interested in more rental information during this period, please contact Carol Lieungh at 963-3922.

Birthday Party/Play Group Rentals Lydell Gym

There will be a flat fee of \$75.00 for birthday parties and playgroups scheduled at the Lydell Gym. This includes a 2-hour use of the gym, open gym and/or basketball equipment and tables/chairs. A refundable deposit of \$50.00 must be made at the time of reservation. Any costs incurred by repairs or replacement of equipment will be deducted from this deposit. Parties and play groups must be scheduled during regular open hours when custodians are present. Please check with the Recreation Department office for availability.

Residency Eligibility

Programs and services provided by the Department, unless otherwise specified, are open to ALL Whitefish Bay residents, school district employees working within the district, and non-residents attending any Whitefish Bay schools. When vacancies exist, non-residents (paying an additional fee) may participate in our programs. Non-resident registrations are processed after the resident lottery takes place.

IMPORTANT REGISTRATION DATES

Priority resident registration begins as soon as you receive your book in the mail or it is posted on our website. The target date for the book to be on the website is March 14, 2011.

Priority registration ends on April 4 and the lottery will be held for any over-filled program. Residents may still register for programs after that date, but it will be on a "first come-first served" basis.

Non-resident registration starts on April 5.

policies

Satisfaction Guaranteed

You are important to us! If you are not satisfied with a class, program or service that you have attended through our Department, let us know your specific concerns in writing before the third class period. You will receive a letter of credit that may be applied to another Recreation Department program within the year. Exceptions can be requested in writing.

Program Withdrawal Policy

All withdrawals must be done at least one week prior to the start of the program. Withdrawals will result in a household credit being issued for the cost of the program, not a refund. Refunds are only issued under the circumstances listed below.

Refund Procedure

Refunds will ONLY be issued in the following situations:

- A class is cancelled by the Recreation Department
- A family moves from the village
- Medical condition

Please send a written letter of request to Carin Keland at 5205 North Lydell Avenue. The refund will come in the form of a check, even if original payment was by credit card. There is a minimum processing time of two weeks.

Same Day/Late Registration

The Recreation Department will be assessing an additional fee of \$10.00 per program for every registration received on or after the start date of the program.

Waiting Lists

All classes have limited space, so register early. Enrollment cannot be guaranteed. If your desired class is filled, you will be notified by email and placed on a waiting list. If additional class openings become available, we will then go to the waiting lists to fill the class. All communication will be through email.

Fees And Charges

It is the goal of the Recreation Department to offer quality activities at the lowest possible cost to the participant. Course fees and program charges are based on the length of the class, some basic materials and other instructional and activity costs. We do not pro-rate programs.

Americans with Disabilities Act

The Whitefish Bay Recreation and Community Education Department proudly complies with the Americans with Disabilities Act and will make reasonable accommodations to support inclusive recreation participation. For answers to your questions about recreation inclusion, call Carin Keland at 414-963-3888 or email her at carin.keland@wfschools.com

Class Transfer Policy

Class transfers may be made subject to class availability and must be done at least three business days prior to the start of a class.

Registration Information

During priority registration, all resident registrations are processed. However, it does NOT guarantee that your child will be in the program. Your enrollments are not guaranteed until after the lottery process has been completed. Email confirmations received during priority registration only confirm receipt of the registration. See the inside of the front cover for enrollment, lottery and processing dates. Priority resident registration begins as soon as you receive your book and ends on April 3rd. You may still register after this date, but it will be on a "first come-first served" basis. The lottery will be held on April 4th for all over-filled classes. Non resident registration begins on April 5th.

Lottery Information

During priority resident registration, all residents of Whitefish Bay have equal opportunity to make it into our programs. The Recreation Department will "over-enroll" programs during this time period. All "over-filled" programs will go to the lottery on a pre-selected date and participants will be randomly selected for that program. Non-residents are not allowed to register until after the lottery is held. For summer, the lottery date is set for Monday, April 4th, 2011 and non-residents may begin to register on Tuesday, April 5th. The reason this policy is in place is to give all residents the same chance of getting into the Rec Department programs. Some residents get their bulletins delivered right away, while others do not receive them from their mail carriers until later on. Also, on-line registration is available as soon as the bulletin is released. You do not have to wait for your mailed copy. A full copy of the guide can be viewed on our website.

On-line Registration

First time users must register by traditional methods. If you or your family has participated in WFB Recreation Department programs in the past, please follow the directions below.

1. Log onto the School District of Whitefish Bay www.wfschools.com
 2. Click on the "Recreation Department" link.
 3. Click on the "On-Line Registration Information" link.
 4. Click on the WebTrac link <https://rec.wfschools.com>
