April’s saint is St. George – he celebrates his feast day on April 23rd.

April’s character trait is – Courage

****Courage is the quality of mind or spirit that enables a person to face difficulty, pain or danger without fear. To be courageous is to be brave.**

****Sometimes it is hard to be courageous and do the right thing. Reporting a student who is bullying definitely takes some bravery, but think of all the people you are helping by showing your courage.**

Parents, please discuss with your children at home the importance of our month’s character trait – Courage. Look for the list of courageous students in May’s weekly reminder!
