**Re: CHICAGO MOVE**

---

Dear St. Monica Friends,

As many of you know we will be relocating to Chicago late this summer to start our new restaurant business and our new life. It has been such a pleasure knowing all of you and being a welcome part of the St. Monica community. Alessandra will especially miss all her wonderful friends and teachers but we hope to see many of you again. We still have family here in Whitefish Bay so we will be back often and don't forget...Chicago is just an easy drive or a train ride away.

I want to pass on our new restaurant information and hope that many of you will come by. The restaurant is at the Hotel Raffaello, [www.chicagoraffaello.com](http://www.chicagoraffaello.com), and will be Italian serving primarily seafood. We will be serving breakfast, lunch and dinner as well as room service and private parties for the hotel. The location is in Chicago's Gold Coast, one block east of Michigan Avenue next to the Hancock Building on East Delaware. The restaurant is tentatively scheduled to open at the end of July.

Hopefully we will still see many of you while we are still here over the summer. Please keep in touch.

Best regards,

Kimberly, Mauro & Alessandra Mafrici
