The SMS Chess Club provides after-school chess instruction and practice for kids who want to learn chess or improve their chess skills. Chess is an excellent academic activity; it develops memory, concentration, and logical reasoning. Last year, approximately 20 students participated in the SMS Chess Club.

The club has its own chess sets, so there's no need to bring your own. An after-school snack will be provided. The cost for participating is \$75 for the entire term.

If your child is interested in participating, please complete the form below and return to the school office in the envelope labeled "Chess".

If you have questions, please contact Natalie Nolan (nnolan@wi.rr.com).
