

SMS BOOSTER CLUB GOLF OUTING RECAP

It was a beautiful day on Thursday, September 15 at Fire Ridge GC! Great weather, good golf, some not-so-good golf, and most importantly a great afternoon with great individuals who support St. Monica School athletics. Without them, this event would not have been the success it is.

Also huge thanks for the generosity of our hole sponsors and friends of SMS Boosters:

Cyganiak Planning (Jon Cyganiak)	Sabor – Beta (Paul Berlin)	Cortina (Tom Eck)
Deloitte Touche (Pat Mehigan)	Tartan Supply (John Devereay)	McNally Grandparents

Final thanks go to those individuals who dedicated their time in helping plan and run the event. Without these guys, it would not happen: Dan McNally Ned Neitzel Joe Clements.

Mark your calendar for Sports Night in May, 2012 and next year's golf outing, which is always held on the second week of September.

The SMS Booster Club is open to anyone in the parish or school. We are responsible for offsetting the costs of running the athletic programs at St. Monica School. Due to the success and contributions of the Boosters, we will be installing a new scoreboard in the gym, just in time for basketball season. We need your time and talents to continue to make the club a success.
