## **Celebrate mission around the world right here in Milwaukee!**

Sample tasty ethnic cuisine (for a nominal fee) while perusing our "Magnificent Mission Mile" featuring local mission organizations, parishes, schools, and advocacy groups. Participate in one of our many "Shareshops" designed specifically to address the many different aspects of mission. Children will enjoy learning how to make rosaries which will be blessed and sent to our sisters and brother in Uganda. At 3:30pm we will gather for a special Mission liturgy followed by cake and ice cream!

Enjoy **LIVE** music!
