NEW DOG TOYS!

Due to a recent outbreak of a bad "doggy disease" called

distemper, the Wisconsin Humane Society needs our help! The disease has killed many dogs and they are trying to stop it from spreading, so they had to get rid of all the dog toys they had. Now the dogs who are left have nothing to play with:

Please help! Bring in a NEW DOG TOY ~and if you bring in a picture of your dog (or other pet), we'll hang it up in your honor! Thanks!
