

Red Ribbon Week

October 23rd – 30th

“Red Ribbon Week is the oldest and largest drug prevention campaign in the country.”

This week, during Red Ribbon Week, each student will be receiving a red ribbon. This ribbon says “Life is a Journey – Travel drug free”. The students will be wearing this ribbon at school on Monday, Tuesday and Wednesday. The homeroom teacher will be collecting them at the end of each day, and passing them back out each morning. The students will be taking home their ribbon at the end of the day Wednesday.

Guidance classes this week will focus on choices and consequences – whether it’s choices about drugs (in older classes), or choices when it comes to safety, each class will be discussing Red Ribbon Week.

For more information, please see Mrs. Stewart’s staff page
