

ST. MONICA SCHOOL
Math Club

Join the Math Club! The newly formed Math Club will meet monthly to work on structured activities from the Math Counts and Math Olympiad program. We are planning on one day after school each month.

The program will also include speakers for the grades 5-8 on topics such as personal finance, careers, study skills and organization during lunch period. We are working on the details of the club now and will begin in January . We need parent volunteerrrs to help assist with the club and serve as speakers. If you would like to help out with this new enrichment opportunity please call or email by November 15th:

Jennifer Deslongchamps
Coordinator Grades 1-4
906-9969
deslong@yahoo.com

Lori Phillips.
Coordinator Grades 5-8
963-2155
Lrp@wi.rr.com

Yes, my child would like to sign up for Math Club.

Name(s)	Grade
_____	_____
_____	_____
_____	_____

- Yes, I can help with the club as a parent volunteer.
- I love Math! The more complicated the problem, the better!
 - I am Math challenged but would like to help other club needs.

Suggestions for the new Math Club: _____

Please return to school office or homeroom teacher by November 15th.
