December's Character Trait is - Trustworthiness

- * A trustworthy person is someone in whom you can place your trust and rest assured that the trust will not be betrayed.
- * A trustworthy person is someone that you can tell your worries and secrets to and know they won't repeat them without your permission.
- * A person can prove their trustworthiness by fulfilling an assigned responsibility - and as an extension of that, not to let down expectations.

Look for the list of Trustworthy students in January's Weekly Reminder!
