

Parents –

We have completed a successful year in cross country, volleyball and basketball seasons. We have many dedicated parents who have contributed much to our athletic program.

Thus, at this time we start the process of looking for new coaches, assistant coaches, and parent managers/volunteers for next year.

If you have an interest in coaching your son or daughter, or you would like to keep your foot in the game, we have many opportunities.

We are looking for coaches at different grade levels, and this is a great opportunity to participate in the development of our young student athletes, even if you do not have a son or daughter playing at a 5<sup>th</sup> through 8<sup>th</sup> grade level.
