

March's Glimpse of Guidance

Welcome to this month's glimpse of guidance! This month I wanted to do things a little differently and give you an idea of what we do each month for our class wide Anti-bully meetings ☺

Bully Prevention Program

MARCH Class Meetings

- This month we are focusing on Inclusion
 - Reaching out to others who may need a friend
 - This can be tied into our Lenten Season

- Talk with your students about how they would feel being alone on the playground, with no one to play with
 - What are different ways we can go about approaching those students and lending them a friendly hand?

- On Thursday March 19th – we will be having another school wide day where we wear our Anti-bully T-shirts! The students will wear these with their UNIFORMS (dress down will be on St. Patty's Day)
 - This day is the Feast of St. Joseph – He is the Earthly Father of Jesus and we are One Family in Christ ☺

I hope this helps give you some insight on what we do each month for our school wide meetings! Thanks ☺ Mrs. Stewart
