

An Update From MILESTONES: St. Monica School's Onsite Childcare Programming Provider

The kids and I have been having a lot of fun playing games, reading books, and doing all sorts of fun-filled activities. By far the kids' favorite game is tag, and somehow I always end up being "it"!

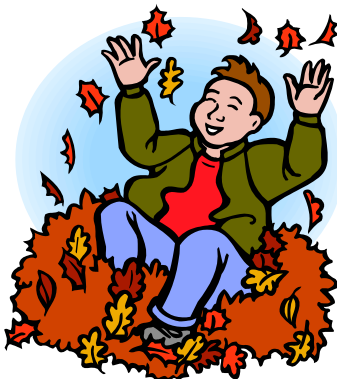

We have read a lot of different stories, especially since we started with a fairy tale theme. Recently, we have been reading Beatrix Potter's "Tales of Peter Rabbit and His Friends".

In October, we started a "Fall Food and Drinks" theme which has been focusing on different fruits harvested in the Fall. We have done apple tastings and made various dishes and drinks made with apples, grapes, cherries, cranberries, and other berries.

In November, we are looking forward to exploring more children's authors and the change of the season. It will be another month of very fun and memorable learning experiences.

If there is anything you would like to see in our program, have any questions or just want to check in with us, I invite you to call or stop by and see how we are doing. We always enjoy sharing our fun with visitors!

Dave Leitl
Program Coordinator

Milestones onsite childcare programming is available for all St. Monica School students in Kindergarten through 5th grade. All K-4 and K-5 children participating in the Milestones program are personally escorted to and from class and never leave the safety and security of our school building. Students may be enrolled in the Milestones program for as few as two days per week.

If you have any questions or would like additional information, please contact Milestones at St. Monica School directly by calling (414) 967-3039. You can also reach Dave Leitl, our Program Coordinator, directly at: djleitl@wi.rr.com. Or, if you prefer, simply pop downstairs and see all the activities for yourself!
