

St. Monica Sports Night – DON'T MISS IT!!!

Since the start of Sports Night in 1948, the longest running sports event of its kind in Wisconsin, St. Monica Booster Club has prided itself in bringing famous athletic personalities to deliver inspirational messages to our children. This year is no exception! **Olympian and Badger women's hockey goalie Jessie Vetter** will share her medals and 2010 Olympic experiences. We are also thrilled to have **James Jones, Green Bay Packers wide receiver**, come and share his life experiences with us (check out his community work at LoveJones4kids.com). In addition, **Olympic distance runner Anne Marie Letko** will lead an after school run involving the cross country and track teams, including an invitation to any students or parents to join in on the run. Finally, in the always popular 3 point shooting contest, some lucky students will win a chance to shoot for prizes with **Marquette basketball stars Lazar Hayward, Maurice Acker and David Cubillan** and also James Jones!

In addition to food, fun and entertainment, we will have the Sports Night Auction, conducted by our emcee and auctioneer, Steve "The Homer" True. Highlighting the Sports Night Auction will be items once again graciously donated by the Milwaukee Brewers, including the opportunity to throw out the first pitch at a Brewers home game this year at Miller Park and the use of a luxury suite with 20 tickets and refreshments. Your support of Sports Night helps the St. Monica Booster Club fund 100% of the St. Monica School athletic budget, including the cost of coaches, training, tournaments, uniforms and equipment.

Mark your calendars and plan on joining us on April 29th in Donovan Hall for the 2010 St. Monica Booster Club Sports Night. Doors open at 5:30 PM and activities begin around 6:00 PM. We will also continue our tradition of honoring all 8th grade students. If you would like to donate, advertise, help or have questions, please contact Dan McNally (dmcnally@starkinvestments.com) or Dave Rusch (dhr6761@yahoo.com).
