Dear St. Monica School Families,

I want to personally thank all parents involved with making this year’s Variety Show a real success. Many invested numerous hours by directing individual classes, ticket and program work and overseeing all the little but important things that brought the entire show together. Special thanks to our three directors; Carrie Eck, Mandy Meyer and Kelly Heil for their endless hours from start to finish.

I was very impressed and proud of all our students especially the 8<sup>th</sup> grade who took the lead for the in-between acts as well as behind the stage preparations.

We are also very blessed to have a great partnership with Dominican High School who allows us to use their wonderful facility.

I enjoyed all the performances but would have to admit that the “Mrs. Robinson” video and song was my favorite.

Sincerely,

*Mrs. Julie Ann Robinson*
