

STUDENT COLLECTIONS

Dear Parents/Students:

I wanted to try something new and interesting for the bulletin board/display that is found outside the school office (between the library and clinic). I would like to showcase students' collections. I would like to take a picture of the student with a few pieces from their collection and also post a short write-up with it. This could be anything from their bear collection to their baseball cards or rubber ducky collection.

If interested, just email me your "Collection Story" and I'll make arrangements with you to get a picture taken of your child and a few pieces from their collection at school. I will also let you know when it will be displayed. I will try to show off all collections from students that are interested. This is an example I wrote with my daughter Laura:

My name is Laura Poellmann and I'm a 3rd grader in Mrs. Dooley's class. I have a lot of collections but my favorite is my Disney Pin Collection. My Grandparents have taken us to Disney for many years and my Grandma got me interested in pin trading about 4 years ago. I have 85 pins in my collection. I got a special case to display them during my trip to Disneyland this Christmas. My favorite pins are the Mystery Mickey pins I found this year. There are 12 in the collection and was able to find 10 by trading with Disney workers. I was able to buy the other 2 and now have the whole collection. I also love my Cutie and Nightmare Before Christmas pins. I look at my pins and remember the fun I had at Disney and my Grandparents who made the trips extra special.

I would love to get something displayed by the open house on January 25th. If you have any questions please email me or give me a call. Thanks.
