

SMS Dinner Dance Round Table

We are grateful to everyone who gave input at our Dinner Dance Round Table last week. We really appreciated Father Jerry's involvement in the meeting as well. Not only is our Dinner Dance our biggest fundraiser for Home and School, it is such an important tradition at St. Monica School.

We're excited to announce the new theme! It will be a five year theme to help simplify decorations and keep us focused on why we are there-raising money for our children. Our Round Table decided that Donovan Hall will be transformed into a "Winter Wonderland"!

After much discussion, we developed a "Dinner Dance Grade Structured Tier". It will be a way to simplify and organize jobs in our school's primary fundraiser. All families will be expected to volunteer on a committee to make this event possible. The chair positions will be filled by grade level. New families will be able to see our Dinner Dance tier at the New Family table at registration.

We hope this keeps our SMS family working together to make this tradition a fun-filled success!

Watch for more details next week....
