Dear _____ and family,

Welcome back to another year of band! I am planning for another excellent school year, full of fun music and lots of learning. As you know, the band gets better and better every year. I expect that this year we will have more beginners than ever before, which will make a nice, big band next semester!

To get the year started, I have enclosed the registration materials and policies.

1. Please read through all materials.
2. Call or email me **before Friday, September 19** to ensure you will have a spot in the lesson schedule. I may or may not be at school much before lessons actually start this year.
3. Complete the registration form (be sure to include your email!) and send it back to school with your first payment. You may send it to school any day, as I have a mailbox in the office. You may also wait until your child's first lesson, and have them give it to me then.
4. Check your email on or after Saturday, September 20 to find your child's lesson time for the first week of lessons. They will receive the semester schedule at their first lesson.

Please feel free to email or call with any questions you may have. I look forward to having your child(ren) in the band this year!

Musically yours,

Jen Wszalek
