This table above represents a five-year summary of the results of the Iowa Test of Basic Skills administered to our SMS students in grades three, five, and seven. If you have younger children and are not familiar with the standardized tests administered at St. Monica School, this test is mandated by the Milwaukee Archdiocese. Comparisons are provided by grade level for a five year period. Please keep in mind that composition of classes varies from year to year so some variance in achievement should be expected. The table provides the percentile rank of students at St. Monica School compared to national school norms.

The average composite grade/month equivalent for St. Monica School in grade 3 is 5.8, grade 5 is 8.4, and grade 7 is 12.4. As you can see, all three grades scored well above grade level. This success can be attributed to the diligence of our students, the strong parental involvement and support of our school community, and our dedicated and competent faculty. We all should be very proud of the students at St. Monica School!

Sincerely,

*Mrs. Julie Ann Robinson - Principal of St. Monica School*
